Electrical hookups are not provided. Lighting in the building should be adequate. Contact us if problems arise from this stipulation ~ we try to work with our clans and organization representatives.

For safety reasons, no vehicles may be operated in the building during festival hours: 9am-9pm Saturday, 9am-5pm Sunday. Tents/pavilions are not provided. Booths are indoors, so tents/pavilions are not required, although footed tents/pavilions are encouraged to enhance ambiance. Clan booths are on the center aisle of the building and decorations are strongly encouraged to attract visitors to your booth.

The League Board will elect a "Best Clan Booth" each year; that Clan will be given a free booth space the following year.

PLEASE NOTE:

- 1) We have a "Clan of the Year" features in our program each year. This clan leads the March of the Clans and is given the central clan space on the center aisle of the building. To submit your clan for Clan of the Year, please enclose a brief history of your clan, approximately two letter-sized page in length, along with any copies (no originals, please) of photos or artwork of clan interest (badge, crest, photos of portraits of famous/infamous clansmen/women, keeps/castles - crumbling or not). Articles are edited for grammar, spelling and space. Please submit by October 15; Clan of the year for the following festival is chosen at the November meeting of the Board of Directors. Photos can be sent via e-mail to our program chairman by contacting us first at our e-mail address to announce your intention. Program chairman will then contact you with e-mail requirements.
- 2) Board members belonging to Clans eligible for "Best Clan Booth" are not allowed to vote for their Clan's booth, but may abstain - just trying to keep this fair and equal:
